MINERAL WITH RUMENSIN MEDICATED

Growing cattle on pasture or in dry lot (stocker and feeder; dairy and beef replacement heifers) for increased rate of weight gain and control of coccidiosis.

ACTIVE DRUG:

Monensin.....1600gm/ton

GUARANTEED ANALYSIS:

Calcium (Ca) Min.....15% Max.....17%
Salt(NaCl) Min 19%.....Max21%

INGREDIENTS: Salt,Dicalcium Phosphate, Monocalcium phosphate, Calcium Carbonate, Magnesium Oxide, Manganese Sulfate, Zinc Oxide, Manganese Oxide, Processed Grain By Products, Vitamin A, Vitamin D3, Vitamin E, Zinc Sulfate, Copper Sulfate, Calcium Iodate, Cobalt Carbonate, Sodium Selenite, Zinc Amino Acid Complex, Manganese Amino Acid Complex, Copper Amino Acid Complex, Cobalt Glucoheptonate Vegetable Oil, Natural and Artificial Flavors Added.

Feeding Directions: When consumed at the rate of 2-oz per head per day this mineral provides 100mg of Rumensin. It should be mixed with one part mineral to seven parts grain to provide at least a pound or more of complete nutrition.

Cautions: Do not allow horses or other equines access to feed containing Monesin. Ingestion of Monesin by equines has been fatal. Monesin-medicated cattle and goat feeds are safe for use in cattle and goats only. Consumption by unapproved species may result in toxic reactions. Feeding undiluted or mixing errors resulting in high concentrations of Monesin has been fatal to cattle and could be fatal to goats. Must be thoroughly mixed in feeds before use. Do not feed undiluted. Do not exceed the levels of Monesin recommended in the feeding directions, as reduced average daily gains may result. If feed refusals containing Monesin are fed to other groups of cattle, the concentration of Monesin in the refusals and amount of refusals fed should be taken into consideration to prevent Monesin overdosing. This product contains added selenium. Do not permit excessive consumption (in cows more than .3ppm Selenium in total diet).

Warnings: A withdrawal time has not been established for pre-ruminating calves. Do not use in calves to be processed for veal.
